JUNE 6-7, 2026 · WICHITA CENTER FOR PERFORMING ARTS · WICHITA, KS

Dear 2026 State Delegate,

This is a recap of how finals night will unfold. As the pageant progresses past preliminary competition, the field of contestants will be narrowed to our group of semi-finalists, and then a group of finalists in TEEN and a group of finalists in MISS. The semi-finalists will compete in Swimsuit (MISS) or Activewear (TEEN) and Evening Gown competitions in order to narrow the field to our finalists. The finalists in both age divisions will then participate in an on-stage interview competition. Each of the Teen and Miss finalists will receive 2 questions.

First, they will receive a “delegate question.” Each of you will need to submit a question that you would like to ask of a finalist. You should bring your question to registration and turn it in then. Be sure to include your name and title on your question. The staff will review the questions and select questions in each age division.

On final night, each of the finalists will draw one question to answer. You will be told which of your fellow delegates submitted the question. If you happen to choose your own question, simply select another. Please give due consideration to the question you ask. This is your chance to participate in determining what questions the finalists will have to answer.

The second question to be asked will be the traditional “judge’s question.” Each of the five judges will submit a random question, and each of the finalists will randomly draw one of the judges’ questions that they will answer.

This process will be explained again during orientation, so if you have questions feel free to ask for clarification at that time. In the meantime, please think about various questions and formulate opinions; but speak from your own heart with your own words! Also, please don’t forget to write a question that you want asked to one of the finalists. Be sure to label it with your name and your title.

Have fun, and Good Luck!

John M. Vannatta, Jr.
Co-Executive Director
